Email : moein9gh@gmail.com

Github : github.com/moein9gh

Location : Tehran, Iran

SKILLS

Golang	Typescript / Javascript
Node.js	SQL / NoSQL
Linux	DevOps Tools
Testing	WebSocket
WebRTC	Message Broker

PROJECTS

Thanos github.com/moein9gh/thanos

Well designed boilerplate using Hexagonal architecture and so many features

Palphone palphone.com

Anonymous call app without registration

Thanos-Go github.com/moein9gh/thanos-go

Well designed repo using Go / Hexagonal

Ghahve Dark ghahvedark.com

Online Shop for selling coffee and its tools

Mojtahedi mojtahedi.org

Online platform for currency rates

PROFESSIONAL SUMMARY

Highly motivated and results-driven professional with over 6 years of experience in Software development, **seeking a challenging role** that will allow me to leverage my skills in designing and developing scalable, efficient, and reliable backend systems. My goal is to **collaborate with a team of professionals** to create innovative solutions that solve complex problems, while continuously **expanding my knowledge** of emerging technologies and best practices in the field.

WORK EXPERIENCE

Backend Engineer - On-site

Proshot software Sep 2021 - Present

- Built a media server to make a voice call between two or more people with some features for example it will reconnect the stream automatically when it disconnects.
- Managed servers on different data centers and wrote CI/CD pipelines for some projects.
- Configured some required things like Nginx as a reverse proxy and Ansible for automation.

Skills : Golang, Node.js, Mediasoup, GRPC, WebRTC, WebSocket, RabbitMQ, Redis, Prometheus, Grafana, etc

Backend Engineer - Remote

Ghahve Dark Jun 2020 - Jan 2022

- Maintained an online shop with many online users and fixed bugs in the online shop or dashboard.
- Built some APIs to develop some dashboard features like show statistics and seeing user details easily.
- Helped my front-end teammates to connect the project to APIs which allowed us to publish the project on time.

Skills : Node.js, MongoDB, Redis, CI/CD, Express, etc

PROJECTS

Nobati nobati.app

Online appointment system

Binex Exchange binex.online

Online cryptocurrency exchange
